NEXT STEPS

At Shiloh Church, we know that growing spiritually isn't one-size-fits- all, and each of us grow at our own pace. Next Steps are areas of engagement for you to grow as a follower of Christ.

Your personal dashboard will highlight and celebrate the steps you've taken, and encourage you to take your Next Step.

BAPTISM

A LIFE CHANGED IN CHRIST

We believe that baptism by immersion is the best way to express your faith and follow Jesus' example.

Your Baptism icon will turn blue once you've been baptized by immersion at Shiloh Church. If you have been baptized by immersion outside of Shiloh Church, please let us know.

ATTEND

GATHERING IN WORSHIP

We believe that in order to grow in our faith, we should actively and regularly worship in a community of believers.

We have a few indicators of regular attendance such as when you check in to serve or you check a child into our Shiloh Kidz Ministry. Your Attend icon will also turn blue if you check-in on the app during service times at least 4 times in an 8 week period. If you have attended regularly and your badge icon is not blue, please contact us.

GROWTH TRACK

DISCOVER YOUR PURPOSE

The Growth Track at Shiloh Church is a three-part monthly experience that helps you discover your purpose and live the life God created for you. You'll connect to the church, uncover your strengths, and develop your gifts to make a difference in others' lives.

Your Growth Track icon will turn blue after completing all three steps of the Shiloh Growth Track.

DREAM TEAM

MAKE A DIFFERENCE

We believe serving others is one of the most effective ways to live out your faith. In a world focused on personal gain, there is perhaps no greater way to show others what a life devoted to Christ is about.

Your Dream Team icon will turn blue when you've been added to a serving team at Shiloh Church.

GROUPS

LIFE IN COMMUNITY

We believe true, authentic life change happens best in the context of small group ministry.

Your Groups icon will turn blue when you get connected to a Small Group within Shiloh Church.

LEAD

ITS YOUR TURN

At Shiloh Church, we value leadership growth. Lead a Small Group by attending training before each semester's launch. Plus, our annual Leadership Conference offers further development. Whether you're new or experienced, there are many ways to grow and make an impact.

Your Lead icon will turn blue once you begin leading a small group or become a Dream Team leader.

GIVE

ACTS OF GENEROSITY

Giving is a biblical principle designed to teach us to trust God daily for our provisions. When we give, we demonstrate our reliance and gratitude to God for all that He provides for us.

The Give icon will light up if a person donates to the General Fund, Christmas Gift, or Israel Fund and meets any of these conditions:

- First-time donation
- At least 4 donations in the past 16 weeks
- Donated at least \$500 in the past 16 weeks
- Donated at least \$5,000 in the past 12 months

For spouses, donations will be combined. The icon will turn off if these conditions are no longer met.
